

# THE BUCKLAUNCH™

Reaches heights of over 100ft safely and effectively.

Pouch & tubing can be easily replaced in under 20 seconds.

## The BuckLaunch™ 1027G

The BuckLaunch™ was specially developed to give you the ability to safely launch throw weights in an efficient, accurate, and safe manner. We know how tough it can be to accurately get your line into the canopy, especially when using the hand tossing method. The BuckLaunch™ also goes great with Buckingham's rooftop fall protection system and makes the linemen's life much easier. Manufactured here in the USA the BuckLaunch™ gives you a reliable product that was designed to be easily workable.

- Heights of over 100' can be achieved in a safe and accurate manner
- Unlike other related products on the market, the BuckLaunch™ pouch and tubing are easily replaced and can be replaced in less than 20 seconds
- The BuckLaunch™ is easily attached to fiberglass poles. Must be used with heavy duty grade poles
- The BuckLaunch™ (1027G) comes with base pole & extension pole. Use PN 1027GH to order head only or for a replacement head
- Use PN 1027GS for replacement pouch and sling.
