Heritage™ Cushion Wrap Pad w/Insert for BuckAlloy™ 35021C-BH

Climber pads are a major factor in the user's comfort, making sure you have the right fit and adjustability is crucial to any day in the field. At Buckingham, we were the first to introduce the revolutionary idea of the Hook & Loop fastener pad. These Hook and Loop cushion wrap pads were designed to be easy to put on, take off, and adjust making for a more pleasant and comfortable day in the field. The Buck Cushion

Wrap Pad for the BuckAlloy™ features: a 4" angled design; metal insert designed to keep the climber shank stationary to reduce chafing to the leg; cinch loop which allows you to secure and fasten the pads for a tight fit; 3/4" cushion padding for comfort; maximum adjustability; rolled edge to prevent chafing.
